## ALBA Herd Recognition Award

Criteria	Points Possible
A herd that has had a profound and positive impact on the advancement of the LaMancha breed. These foundation herds would have played a key role in advancement of the LaMancha breed in production, type and show. Evidence of positive impact witnessed through their lines being found in multiple generations of progeny, resulting in SG animals, Top Ten Awards, consistently improving LA scores, All-American Awards, National Show Awards, Elite and permanent GCH designations. A herd that has been able to reproduce positive traits in many other herds as evidenced over multiple generations, thereby improving LaManchas nationwide. The committee is to take into consideration not only accomplishments of the herd being considered for the award, but progeny of this herd's animals, this being the real indicator of the herd's ability to reproduce its positive traits and improvements, ultimately advancing the breed as a whole.	60
Participated in Linear Appraisal and DHI to guide the direction of the breeding program (if available at the time; if not other available documentation can be used, i.e. published articles, etc)	10
Shown a willingness to help others, educate the public in regard to dairy goats and dairy goat products, and maintained a well-cared for and healthy herd. A breeder whole vision, hard work and dedication not only set their herd apart from the rest, but improved the LaMancha breed a whole.	30

## *From the President....*

Hi everyone,

Well winter and a huge Polar Vortex is upon us and with it brings the start to kidding season. Some of us have already started but many more will be knee deep in babies in the very near future. Regardless of where you are in your kidding season I wish you best of luck, easy kiddings and beautiful doe kids! We all know this can be a season of much joy and sometimes deep sorrow! I know all of us are looking forward to warmer temps in the very near future!

The All American program was a big success again this year with 83 entries! Thank you to everyone that entered. Awards and certificates are in the mail and results have been sent out to all who entered. Congratulations to the winners and to the many youth who entered this year! We had some very lovely animals entered and our thanks go out to our All American chair (this is a labor intensive program!) and to our 3 capable judges, Lynn Benedict, Emily Thomson and Dan Greene.

Specialty shows have been given out. We have 5 very well deserving shows hosting Specialty shows in 2021. If you have a show close to you, I hope you will take the time to attend.

The Production and Dam-Sire program entry forms are in this newsletter. These are INFORMATIONAL forms only as both forms will have online entries. Links to both programs will be on the home page of the website...please take the time to nominate your deserving animals. Also included are forms for the Total Performer Award, Herd Recognition Award and Youth Honor Roll. The Bob Webb-Ray Engeman Memorial Scholarship form is also enclosed.

If you are interested in serving on an ALBA committee, please drop us an email at lamanchabreeders@gmail.com and let us know.
