Strawberry & Goat Cheese Chicken

4 chicken breasts
1 Tbsp. olive oil
Salt & Pepper to taste
4 oz. goat cheese softened
.25 oz basil leaves
2 Tbsp. balsamic glaze
2 Tbsp. whipped cream cheese

1. Place chicken breast on cutting board. Flatten with meat mallet until entire breast is 1/2" thick. Repeat on other 3 breasts. Season w/salt & peper on both sides
2. Add olive oil to skillet and heat to med. Once oil is hot, add chicken and cook until browned, 5-7 min. Flip and cook for another 5-7 min. to brown other side. Make sure breasts are fully cooked by temping with meat thermometer to 165 or higher.
3. While chicken rests, mix softened goat cheese w/whipped cream cheese. Add salt & pepper to taste. Set aside. Wash, hull & thinly slice strawberries. Set aside. Stack basil leaves on top of each other and roll into log. Starting at the top of leaf log, thinly slice the log. You should end up with strips of sliced basil.
4. Dollop 2 tablespoons of goat cheese mixture onto chicken breast. Spread cheese over the breast with back of spoon. Layer strawberries all over the cheese spread. Spring with few slices of basil and drizzle with basalmic glaze. Repeat with rest of breasts and serve immediately.

The Youth Corner

Audrey Greenwood, Argonne's 2019 National Outstanding LaMancha and Recorded Grade Youth

Audrey received her first dairy goat at 8 years old. She was hooked instantly. Audrey realized showmanship was a place where she could excel no matter what goat she had. Her long time showmanship partner Roc -n "J" Bad Penny rarely won in the open ring, but in showmanship those two excelled. Bad Penny taught Audrey all about

naughty goats. It was quite a special experience watching her win showmanship for the 3rd time at nationals this year. Although sad that she has aged out of youth activities, she looks forward to teaching others how to be successful at showmanship. She was particularly thrilled when her team and group of friends won the Fitting contest. This was her second time winning in that class too.

When she was young, Audrey realized showing just the few goats she owned wasn't enough. Soon she stood ringside waiting for a chance to show for anyone willing to let this feisty 8 year old handle animals. It didn't take long before she was showing for someone in every class! If you attended or watched nationals this year you can see all these years later she is still always in the ring. Audrey has worked extremely hard on her own breeding program. She has been blessed to have goat friends all over who have encouraged, helped, befriended and supported her on this adventure. She has been attending a local junior college where she will finish her AA and transfer to a university to complete her degree. Her LaManchas are her passion and they bring her so much happiness and joy. She is a tough competitor, but will always help you out if you're in need. She has a huge heart and willing attitude, so don't let her show ring scowl scare you off! Her goals for the future are to keep improving her herd and to graduate college. Thank you for all this club does to help and encourage the youth members. Winning youth premier breeder for LaMancha and Recorded Grades was definitely a highlight of nationals. Thank you for sponsoring those awards.

Congratulations to the 2019 District Specialty Outstanding Youth Exhibitors!!!

District 4-Michigan

Ashton Dorman, Senior Outstanding Youth

My name is Ashton Dorman. I am 15 years old and have been showing goats for 5 years now. For my FFA project, I use my goat's milk to make goat milk soap to sell at craft shows. I started out by showing LaMancha wethers at the Allegan County Fair. Since then I have started my own herd of goats. I work at Autumn Acres Dairy Goats, where I learn to manage and show LaMancha, Alpine and Oberhasli goats. Working at Autumn Acres has taught me everything that I know on how to show and manage a herd of goats. In the past year I have been to a variety of goat shows where I have shown lots of different age groups and breeds of goats. I look forward to many more years in which to show goats.

Georgia Self, Junior Outstanding Youth

Hi! My name is Georgia Self and I am ten years old. I have had goats for seven years but joined ADGA in 2018. So technically, I have had goats for about 2 years. I started off with Nigerians and then bought 2 LaManchas. I have a 2 year old Nigerian who has her milk star. Her name is Poppie. I have two LaManchas that were born in March and April. Their names are Maple and Lovely. I plan to milk test both of them and show them. The reason why I got LaManchas was because of their cute little ears. They look like little nubs.

District 4-Ohio

Alexandrea Stewart, Senior Outstanding Youth

I've been raising LaManchas since 2013. My first herdname was FGF5, but I now raise LaManchas and Nigerians under the herdname, Meraki and Alpines under Rosewinds. I will be a sophomore attending Rio Grande University to study diagnostic medical sonography and work towards my bachelor degree. I have recently started making soap with my goat milk. One of my first home-bred does became my first permanent champion in 2019, CH FGF5 CKMP Dazzlin' Diva EX91. She is also on track to be my first doe to earn her AR star as I have been utilizing DHIR and LA as an ADGA plus member.

Abbagale Doss, Junior Outstanding Youth

I got into goats about 5 years ago, and started with a grade LaMancha doe. Thru careful listening to many of my mentors I have been able to breed up. Every year my little herd gets better. I would like to thank my parents, grandparents and many mentors for all of their guidance and support.

District 5-Missouri

NO PHOTO SUBMITTED

Gage Reinecke, Senior Outstanding Youth

I started with goats as a 4-H project and like the dairy because I didn't have to sell them. I have been raising LaManchas for eight years under the herd name of Locust Hill. Last year was one of my bestyears with my 2 year old going Grand Champion LaMancha and Best in Show in the 4-H and reserve in the open show and I had my first Premier LaMancha Breeder at the Kansas State Fair with her daughter going Grand Champion junior in both shows. I hope to be able to continue to improve my herd.

No junior outstanding youth chosen by hosting club.

Aaron Zisk, Senior Outstanding Youth

I have been raising and showing dairy goats since i was about 5 years old. During my 11 years in 4-H and 4 years in FFA my main project was the dairy goats. I attended the ADGA National Convention in 2012 and again in 2015 as the District 7 youth scholarship recipient. I also attended the 2015 ADGA National Show where I was given Honorable Mention in Intermediate II showmanship. I plan to attend the 2019 ADGA National Show also. I love the calm, quiet demeanor of the LaMancha goat.

Zander Crookhem, Junior Outstanding Youth

This is my first year at Syringa and I am just starting my breeding program.

From the show committee:

Zander was really great about being available to help other breeders show their goats, whether it was small Nigerian Dwarfs or big powerful Saanen bucks. We all look forward to seeing his growth.

Director: Represents the membership, participates in decision making, overseeing the affairs of the ALC

Deb Macke—President Candidate:

My name is Deb Macke and I am running for re-election as President of the ALBA. I have been a member of the ALC/ALBA since 1990 and have served several terms as Secretary-Treasurer as well as serving on multiple committees including Awards, All American, Raffle, Breed Standards, Specialty, Youth and Production. This would be my 2nd term as president. I have chaired Specialty, All American, Youth and am currently chairing Production. I designed and have been responsible for update of the club website for many years and I have edited the newsletter for several years in the past. I have also been a member of the ADGA National Show committee for many years and was chair of the 2017 National Show as well as a member of National Show Long-Range, Judges, Annual Meeting and Youth. I am a lifetime member of ADGA and was a 30+ year member of the Chippewa Valley Dairy Goat Association in NW Wisconsin, a member of the Wisconsin Dairy Goat Association where I served as president and the Minnesota and Iowa Dairy Goat Associations.

I have been breeding dairy goats since 1985 when we started with a couple of grade Alpines as a 4-H project for my 8 year old daughter. Mom fell in love and that was just the start. We milked commercially with a mixed herd of Alpines, LaManchas and Saanens for 5 years but eventually the distance from the milk markets forced us to make the decision to concentrate on our breeding stock herd. Most of the herd was exported to Canada and the basis of our LaMancha herd remained. Our herd is on DHIR thru Dairy One and we Linear Appraise annually. We show at a few local shows a year and the National Show when it is within driving distance. I strongly believe that our does should be productive as well as beautiful and we emphasize milk production throughout our breeding program and are very proud of the numerous Breed Leaders we have bred. We live on a 40 acre farm in NW Wisconsin having sold our dairy herd in 2009. We raise part of our own hay here at the farm.

I feel the ALBA is very important to our breed. We are the face of the LaMancha breed and it is our job to encourage new members, satisfy the current members and work on programs to improve our breed. It is also our responsibility to represent our breed and work to promote it. I believe the ALBA is for ALL LaMancha breeders regardless of the size of their herd, the quality of their animals or their reason for raising dairy goats. I also believe our programs should be geared to all levels of involvement of our members which is why I participated in the creation of the Dam/Sire recognition program for our members. This program was geared not only for the herds on official DHIR but also for those herds who take part in One Day Milking competitions, show and/or appraise. It was our hope to encourage more participation by offering more categories and levels for recognition.

I would work hard to improve our club and offer programs for all of our members as well as recognition for the hard work our members put into their herds. I feel I can represent you and work for the betterment of our breed if elected. Thank you for your support.

Sharon Hittner—Vice President Candidate:

Hi there my name is Sharon Hittner I am asking for your vote so that I may have the opportunity to serve as Vice President in the American La Mancha Breeders Association.

La Manchas were introduced to the Blue Moon Ranch 13 years ago for milk production in case a foal required milk. Quickly I fell in love with the breed and have been breeding and raising La Mancha Dairy Goats ever since. I participate in showing, milk test, linear appraisal and DNA testing. The goals that I have tried to maintain as a breeder are to support the goat community, and strive to produce a goat for the betterment of the breed.

Please consider me as your candidate for Vice President to the Board of Directors of the American La Mancha Breeders Association. It would be an honored and a privilege to assist and promote the organization to the best of my abilities. The pleasure would be mine to work with such a great group of fellow La Mancha Breeders.

Pam Hogan—Secretary-Treasurer Candidate:

My name is Pamela Hogan, and I live in Gold, Hill, Oregon. I am running for re-election as Secretary/Treasurer of ALBA.

My daughter and I have a herd of LaManchas, and my husband raises French Alpines. My herd name is Featherbrained (our farm has been Featherbrained Farm since we had a small bird hatchery business for several years). My daughter's is Literate LaManchas, and she's the one who got us into dairy goats. We've had LaManchas for about 10 years now, so we're relative newbies to the dairy goat world. We've been on DHIR since 2013, and it's quickly become my passion. We also do linear appraisal, and a little bit of showing. My daughter received her degree in Animal

Science from OSU, and is attending the OSU College of Veterinary Medicine, which leaves me with the day-to-day dairy goat management tasks. Thankfully, the goats are a joy, especially the LaManchas, so it makes the job fun.

I am treasurer of our local dairy goat club—Rogue Valley Dairy Goat Association. We put on two shows annually. We also put on an annual goat education day, where I have taught classes on making goat milk lotion and soap. I've also been secretary for the Southern Oregon Poultry Association and secretary and treasurer for our local elementary school's PTO.

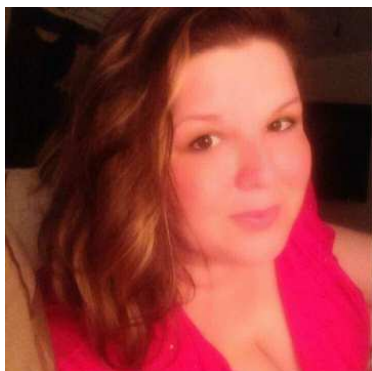

I make goat's milk soaps, lotions and body products, and have an Etsy shop where I sell my products. As we all know, you have to do something with all of that milk.

I have enjoyed the past two years as your secretary treasurer and the involvement in club activities. I look forward to further involvement and hope I can serve you in that capacity for two more years.

More candidate letters.....

Cheryl Lloyd—Board of Director Candidate:

My name is Cheryl Lloyd, and I hope this finds each of you in good health and with a prosperous herd. It would be my honor if you would consider voting for me as a member of the ALBA Board of Directors.

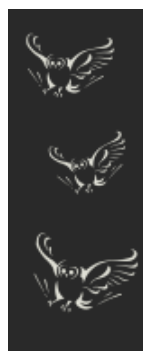

I was raised on a small farm in Goodrich, TX. My family bred and raised pigs, lambs, and cattle. We participated heavily in 4-H and FFA. Upon graduation in 1998, I went on to attend Sam Houston State University in Huntsville, TX, on multiple agriculture scholarships. After college, I went into retail management. Finding an agriculture related job in the town that I lived in was extremely difficult. I continued in retail management, until I married my husband, Travis, in 2015. At that time, he asked me to be a stay at home mom to help raise his 3 children, which he had just been awarded full custody of.

We started our farm, T Bar C Farm, and our dairy goat adventure in December of 2015 out of necessity. Our children, Katie, Justin and Ryan, were all allergic to cow and soy milk! Neither Travis nor I had any experience with goats, we picked out a couple of bred Nigerian Dwarf does and a buck to get our feet wet. After the first kidding, we decided the miniature goats were not for us.

We went to watch our first dairy goat show at Houston Livestock Show and Rodeo in March, 2016, to check out what other types of dairy goats we might enjoy, and talk to some breeders. I fell head over heels in love with the LaMancha breed, and put down a deposit on a few does that day. We also discovered that we would enjoy showing. It was an amazing learning experience and we met some wonderful like-minded people. Within a couple of months, we had acquired several ADGA registered does from reputable breeders and were headed off to our first show.

As with all new goat owners, there was a huge learning curve, and not a lot of help was offered. We put in lots of effort reading, studying, and attending workshops to learn as much as we could as quickly as we could. Our focus had started to change quickly from producing goats for milk production only, to producing goats that performed both in the show ring and in the milk pail. By the 2nd year we found a good mentor, signed up for ADGA Plus, and participated in Linear Appraisals and Milk Testing. We take pride in doing our very best to help other new owners find the information they need to be successful. We are now members of several goat clubs. I have also taken on the role of South Central Texas Goat Club secretary and newsletter editor, as well as our club show secretary.

The last few years have been a great privilege watching our children blossom and grow in the goat community. They've each developed their social skills by leaps and bounds. We've traveled countless miles, spent many hours, made tons of memories, had losses and wins, and made lots of new friends on this adventure. It has become a way of life for us, and we wouldn't have it any other way!

Lorene Toth—Board of Director Candidate:

I am Lorene Toth and I am interested in running for a director position of the ALC. Goats are my passion, that started in my youth with Toggenburgs as a 4-H project in the 1970's.

Fast forward to 2003, where after several years of research, I once again embarked on a goat adventure. This time with Nigerian Dwarf goats. I quickly became enchanted with the breed and became active in AGS, NENDA, breeding and showing. I worked on the AGS Nationals in Springfield, MA in 2005 and attended the AGS Nationals as a spectator in Virginia in 2007. I have successfully been Show chair of the Sunnysisters Dairy Goat Show since 2007, first as an AGS Nigerian only Show then as an ADGA Show for all breeds.

In the year 2010 I was a spectator at ADGA Nationals and in 2011 I worked on ADGA Nationals in Springfield, MA and that's when the spell was cast... After a long week the Colorama sale, preceded by wine and cheese, arrived. The first goat presented was a beautiful glitter covered lamancha kid and some mystical force pulled my hand up to bid followed by a second bid and just like that I was a Lamancha owner. I have fallen in love with the breed and have not looked back. I participate in Linear Appraisal, DHIA, actively show and mentor other goat owners.

Professionally, I was an elementary music teacher for 32 years, I retired in 2016 and now consider myself a goat farmer! Personally, I have been married 35 years, to a husband that supports my goat addiction and have raised two sons. I am a hard worker, have excellent organizational skills and am a creative thinker. My farm is Sunnydale Farm, and though small, I work hard to improve my herd and share my passion for these animals we love. I hope to increase membership in ALC, as a director, to further educate people about this fabulous breed! Thanks for your consideration.

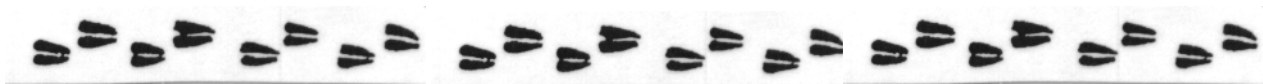

Krista Myers-Board of Director candidate

My name is Krista Myers and I am running for the position of ALBA Director. I have been involved in dairy goats all my life, but the LaMancha breed has always been my favorite for their outgoing and quirky personalities.

I have previously served the LaMancha Club as Secretary-Treasurer and Director positions, but took some time off while raising my small children. But, once again I have more time to devote to the club and promoting of the LaMancha breed.

I currently work as the Herd Manager for Redwood Hill Farm. I enjoy spending my days milking and evaluating goats and basically doing what I love. I own and breed the Kastdemur Herd which also resides at Redwood Hill Farm. With my animals living at another farm, I keep a somewhat small herd of competitive LaManchas with the occasional grade LaMancha thrown in. We attended several shows locally in the spring and Nationals when we can. It's a pleasure to see the advancement and popularity the LaMancha breed has taken in recent years!

From the President....

Hi everyone,

Well, breeding season is fast approaching and many of us are in the middle of county and state fair season. Good luck to all of our members as they hit the show trail and begin to make those very important breeding plans for 2020 kids.

We want to congratulate all of the National Show winners and youth winners. Photos of our new National Champions are on the front page of the newsletter and a complete list of top 5 places in each class is on pages 21-22. Also congratulations to Audrey Greenwood, our 2019 LaMancha Premier Youth. We also want to recognize our new outstanding youth exhibitors from each of the specialty shows...you can find photos and pics of each of them in pages 25-26. Please welcome them to our club.

Your Board of Directors has been busy working on plans for next year. We awarded a \$300 scholarship for the first time in many years and hope to continue that in future years. Congratulations to James Nagel, the 2019 recipient of the Bob Webb-Ray Engeman Memorial Scholarship. We have also made some changes to the Specialty and All American programs for next year....check out the online forms for specifics. Paper forms included in this newsletter are for info only...please apply/enter online this year.

It's election time!!! We have 3 open officer positions and 2 open director positions and some very worthy candidates running for those spots. Candidate letters can be found on pages 27-30. Please read them over and go online to our website and submit your vote online....www.lamanchas.org Every vote counts so please be sure to vote!!! Regardless of who is chosen, any of these candidates would be a great addition to our club!

We currently have a big fund-raiser going and we need your support before we can pick a winner. The club is raffling a full Hoof Boss set. Tickets are \$5 and are available online. Sales have been SUPER SLOW and we need to sell 100 tickets before we can pick a winner. Please consider purchasing a few and pass the word among other breeders. This is a great item and we had hoped to announce a winner at the ADGA Convention in October but we really need to sell tickets to do that!

Specialty and youth results have been added to our website. Please know that our website is a "work in progress". As time allows I am moving past information over to the new site but much of it will have to wait until after show season. Please be patient!

If you have any questions or suggestions please feel free to contact any of your officers or directors. Have a wonderful summer fair season and a successful breeding season!!

Deb Macke
President
