## Wendy Peffers—Director Candidate: District 4

Hello from Iowa! My name is Wendy Peffers. I have been raising LaMancha goats since 2016. When it came to naming our farm and coming up with a herd ID the only thing that stuck was Misfit Manor. Neither I nor my husband raised any livestock growing up so we consider ourselves misfits starting this endeavor knowing nothing. My herd participates in monthly DHI testing and Linear Appraisal when offered. I have found those programs very valuable when evaluating my dairy stock

I've been able to attend several national shows with my goats. It's exciting that the 2025 National Show is in Nebraska, my backyard. You never know how experienced exhibitors will react to someone asking questions, but what I found was they were very willing to share their knowledge of dairy goats.

While there are several farms with LaMancha's in my area very few of them have show animals. The lack of local registered breeding bucks has led us to own several bucks for breeding. We are finally seeing positive improvements in our udders with the breeding bucks we currently own.

I have been involved with the Iowa Dairy Goat Association since 2016 and have been the IDGA treasurer for the last five years.

I'm hopeful that my varied experiences with dairy goats will bring new perspectives and ideas to the LaMancha Breeders Association.

## Ashley Ryan—Director Candidate: District 3

My name is Ashley Ryan and I own/operate Purple Ribbon Homestead in central Virginia. I've been in dairy goats since 2018 and after a few years with my Nigerian "gateway goats." I was gifted a LaMancha by a dear friend and have completely fallen in love with the breed. Due to space constraints, my standard program is small but I have utilized Lap AI repeatedly to make what I feel is a pretty big improvement over that first girl who started the obsession.

Purple Ribbon Homestead was born when I was actively losing my grandmother, who raised me, to Alzheimers. It's the color of awareness ribbon and I've used my homestead as a way to bring awareness, raise funds toward a cure, and help others in the areas of love and loss. I hope you'll consider me for the position!

# Candidate letters - election 2024

## Katherine Pielemeier—Director Candidate: District 4

My name is Katherine Pielemeier, and I would be honored to receive your vote as a candidate to continue serving on the ALBA Board of Directors. I have been an ADGA member since 2008, breeding LaManchas and Recorded Grades under the Just-A-Wee Farm herd name in Southern Michigan.

I started raising dairy goats as a 4-H project, and attended my first ADGA show in 2015. Working in conjunction with my mom's herd, Flim Flam Farms, we have been an ADGA Plus herd since 2018, participating in year round milk test through DHIR and hosting Linear Appraisal sessions. We regularly attend shows in Michigan, Indiana, Ohio, Illinois and Wisconsin, and have attended the ADGA National Show three times, in 2018, 2021 and 2024.

Outside of goats, I have a Ph.D. in Aerospace Engineering from the University of Notre Dame. I also enjoy rock climbing, hiking and board games when I get the chance.

I would appreciate your vote, and look forward to representing LaMancha breeders in District 4 and across the country.

---

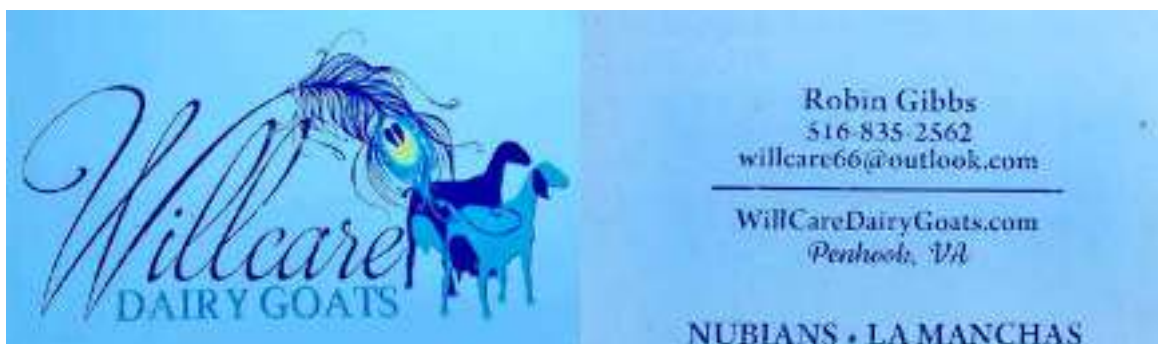

## Christina Cox—Director Candidate: District 6

I am honored to be asked to represent ALBA and my favorite breed as a director. Let me introduce myself...Hello, I am Christina Myers Cox of Mountain River Ranch Dairy Goats in Stephenville, TX. I have been raising dairy goats since 1987. Our Ranch became lifetime ADGA members in 2017. We have raised all breeds but concentrated on our love for LaManchas.

My husband, Jeff, has been by my side for 36 plus years. We have a son, his wife and 3 grandchildren. Elizabeth, our granddaughter, has been showing with us since she was 2.

We have 26 goats of which 8 are champions (some pending). Three more does need 1 more leg. We have shown at 2024 ADGA Nationals, AGS National Show and shows in Texas, Oklahoma, Louisiana and Mississippi. I have attended two pre-judges training sessions. We also participate in Linear Appraisal yearling. I love all my girls and am so proud to be part of this group. I am more than willing to learn ways I can help out this group wherever I am needed.

# Candidate letters - election 2024

## Cindy Silva—Director Candidate: District 7

My name is Cindy Silva, and I am the breeder owner of Rockin-CB Lamanchas. I got my first Dairy goat in 1989, a Nubian, but it wasn't too long after that I got my first Lamancha, and she was the beginning of my love for the Lamancha breed. By 1992 we were solely a breeder of Lamanchas, and I was hooked on the breed, showing and all the programs within ADGA and the Lamancha Breed club. I have been on continuous DHIA since 1989 as well participating in Linear Appraisal. I also participate in many of the programs offered by the American Lamancha Breeders Association. I have bred multiple lamancha Breed leaders, as well as many EX does including two 94 does. I have won multiple awards on the national level, as well as winning many All-American titles from the ALBA program.

I love the Lamancha breed with their unique breed character and temperament. And I hope you will consider voting for me for Director.

## Faith Hitch—Director Candidate: District 3

My name is Faith Hitch and I raise LaManchas, Alpines and Recorded Grades under the ownership of Shady Lawn Farm. I have been heavily involved in ADGA and the dairy goat industry for the entirety of my 20 years and even so, have been actively engaged in the youth aspect of it as well.

Between me and my twin sister, Hope, we have had five National Premier Youth LaMancha does and been named the LaMancha Premier Youth Exhibitors for three years. Aside from youth, Shady Lawn Farm has had numerous high placings on a National level in LaManchas, including a Premier Sire and Reserve Best Udder.

The LaManchas have been a huge part of the development of Shady Lawn Farm as a whole and a breed I hold near and dear to my heart.

Outside of just the farm, I am also the youth representative for the National Experimental and Recorded Grade Dairy Goat Association, as well as on the Registration Committee for ADGA.
